ARCHITECTURAL SHINGLES

With stately charm and stand-out curb appeal, IKO's Crowne Slate top-of-the-line laminated fiberglass shingles are fit for the most exclusive properties. A natural slate-like look with precision-engineered roofing materials, creating an exceptional and long-lasting roof.

The industry's most advanced technology. Crowne Slate is built with layers of premium roofing material, saturated and stabilized with SBS modified bitumen. This rubberized material is resistant to hail, wind and extreme heat, providing your home with the protection it needs to become your legacy.

Color Featured: Royal Granite

Distinctive Luxury - Striking slate-like look shows an eye-catching appearance that sets your home apart.

- Your neighbors will envy the head-turning look of Crowne Slate. They don't need to know it costs substantially less than real slate.
- Protects against wind uplift and water penetration.
- So strong it has a UL 2218 Class 4 Impact Resistant rating.*
- 10-Year IKO Iron Clad Protection¹
- Covered by a Limited Lifetime Warranty¹
- Meets IRC wind code requirements with a Limited Wind Warranty coverage up to 90 mph (145 km/h); Wind Warranty upgrade to 130 mph (210 km/h).¹

¹See Limited Warranty and shingle application instructions for complete information.

Color Featured: Greystone Jade

Make a bold statement

Each shingle displays an individual blend of color tones. Together, the stone-like colors are reminiscent of the natural variations of premium slate.
